Gentlemen:

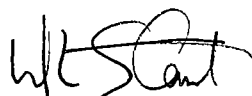

**VIRGINIA ELECTRIC AND POWER COMPANY**  
**SURRY POWER STATION UNITS 1 AND 2**  
**NORTH ANNA POWER STATION UNITS 1 AND 2**  
**NUCLEAR PROPERTY INSURANCE COVERAGE**

In our letter dated March 27, 1992 (Serial Number 92-065), we confirmed our Nuclear Property Insurance Coverage. In that letter we transposed the names of our primary and excess policy providers. The correct primary policy holder is Nuclear Mutual Limited. Excess nuclear property insurance is provided by Nuclear Electric Insurance Limited II and American Nuclear Insurers/Mutual Atomic Energy Liability Underwriters. Please note this correction.

As previously stated in the March 27, 1992 letter, the Company's total nuclear property insurance coverage is \$2.121 billion for Surry Power Station and \$2.150 billion for North Anna Power Station.

Should you require further information, please contact us.

Very truly yours,

W. L. Stewart  
Senior Vice President - Nuclear
