Good morning Brian. I took a look at the 313A and I would like some additional information added to the form. Because Dr. Soisson's ABR was issued greater than 7 years ago and without the MAP Eligible above the seal, I would like to have the 313A document her training and experience. If you would complete Part 1, 3.a. and 3.b. and Part 2, First Section add a check mark to box 2 as well as box 1, I would appreciate it.

Thanks in advance,  
Tara Weidner
