Good Afternoon Mr. Lawyer,

Attached are the training certifications you requested. One is my gauge safety and hazmat training and the other is my RSO training cert. Please let me know if there is anything further you need from me and I will be happy to help.

Thanks,

Adam Wilson

APNNGA Portable Nuclear Gauge Safety & U.S. D.O.T. Hazmat Certification Class

Certificate of Completion to:

Adam Wilson

HAZMAT refresher training is required within 3 years after today's date:

May 1, 2018

This course covers training criteria of NUREG 1556, The Agreement States, and 49 CFR 172, Subpart H.

The Company RSO completes the training requirements by familiarizing the employee with:

- State specific regulations including introduction to the state regulatory website
- The company radiation safety program, specifically gauge safety operating and emergency procedures
- A tour of storage area with emphasis on security, documents and postings
- Loading, security and transporting gauges in company vehicles
- Hands-on training with the gauge and methods in use by the company
- Introduction to gauge safety content on gauge manufacturer website
- Certificate covers both Gauge Safety and USDOT HAZMAT requirements

The acknowledgement and signature of the RSO/Official makes the training and certificate relevant and valid.
