Subject: [External_Sender] Oglala Sioux Tribe ordinances

Good afternoon,

Thank you acknowledging our Tribal ordinances as we begin this phase of the draft EIS and move forward in our Government to Government consultation. I have attached our two ordinances pertaining to our OST Research Review Board and Government to Government Consultation ordinances.

Please be aware that as we move forward into the oral interviews, the RRB as well as the Cultural Affairs and Historic Preservation Office Advisory Council will be involved in that process.

Our Agency hopes that our efforts and knowledge will be heard and we look forward to meeting you and working with you through this process.

Respectfully,
