## General Comment

Everything about President Tiny Hands is the biggest ever. I mean, with the obvious exception of his undersized grabbers. So:

"The greatest Witch Hunt in political history!" -- President Tiny Hands

I'm not sure where Mueller's investigation ranks, but President Tiny Hands' kleptocracy is surely the most incompetent, corrupt and loathsome administration in US history. Trump is the greatest at sinking the lowest.

You too, Scott "Mattress Boy" Pruitt!
