PUBLIC SUBMISSION

Docket: NRC-2016-0119
Tennessee Valley Authority; Clinch River Nuclear Site

Comment On: NRC-2016-0119-0037
Early Site Permit Application: Tennessee Valley Authority; Clinch River Nuclear Site

Document: NRC-2016-0119-DRAFT-0043
Comment on FR Doc # 2018-08714

Submitter Information

Name: Nathan Marcus
Address: United States,
Email: nathanjmarcus@gmail.com

General Comment

This is a phenomenal decision to both protect and advance the interests of US citizens. Just as mainframes to small portable computers, and passenger railroads to passenger automobiles enhanced the quality of life for American citizens, SMRs are a logical progression from legacy nuclear technology.

-Nathan Marcus, constituent from Philadelphia, Pennsylvania
