Dear Mr. Williams:

Enclosed is a copy of the final revisions to the Kansas Administrative Regulations in Sections 28-35-180b, 28-35-180a, 28-35-504, 28-35-221b, 28-35-177a, 28-35-181h, 28-35-700, 28-35-135u, 28-35-192a and 28-35-192g. The final regulations published in the April 19, 2018, *Kansas Register* are also enclosed. As you will note, the regulations were effective May 4, 2018.

Attached is our letter dated April 26, 2018 with our responses to your letter dated November 13, 2017.

We believe that adoption of these revisions satisfies the compatibility and health and safety categories established in the Office of Nuclear Material Safety and Safeguards (NMSS) Procedure SA-200.

If you have any questions, please feel free to contact me.

Sincerely,

Kimberly Steves, Director
