

- a. Describe the control over the radiation safety program that will be delegated so that the consultant-RSO will be able to exercise authority over authorized users when confronted with radiation safety problems that require implementation of corrective actions.

RSO will have total control and authority over authorized users when confronted with radiation safety problems that require implementation of corrective actions. The RSO will be and have direct contact to the Plant Manager and the president/Managing Member of the company.

- b. Describe the relationship that will exist between the consultant-RSO and your institutional management regarding expenditure of funds to facilitate the objectives of your radiation safety program and related regulatory requirements.

The RSO will have the right regarding expenditure of funds to facilitate the objectives of our radiation safety program and related regulatory requirements.

- c. Identify other commitments of the consultant-RSO for other NRC or Agreement State licensed facilities, along with a description of how the consultant-RSO will allocate time to permit the performance of the duties of the RSO as described in the regulations. State the consultant-RSO's minimum amount of on-site time (hours per week).

The RSO has no minimum allocated time. He will spend whatever time needed to assure full compliance to all state and federal regulation without any limitations.

- d. Appoint an in-house representative who will serve as the point of contact during the RSO's absence. This person may be allowed to assist the consultant RSO with limited authority.

Rick Goodnight – Plant Manager. He will also be in charge of the necessary record keeping for compliance at the job site.

- e. Describe the overall availability of the consultant-RSO to respond to questions or operational issues that arise during the conduct of your radiation safety program and related regulatory requirements. Specify the maximum amount of time it will take the RSO to arrive at the facility in the event of an emergency that requires his presence.

The RSO has a 24-hour service line in case of an emergency maximum repose time of 6 hours.
