Re: Transfer of Sealed Source

Dear Director,

In accordance with 10 CFR 31.5(c)(8)(ii), this letter serves as documentation of the transfer of a sealed source owned by the Transportation Security Laboratory (TSL) to a waste broker. Attachment 1 contains the required information related to the transfer.

The TSL point of contact for information related to the transfer of this sealed source is:

Colin F. O'Connor  
Radiation Safety Officer  
609-813-2820  
[colin.oconnor@hq.dhs.gov](mailto:colin.oconnor@hq.dhs.gov)

If you have questions or need additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Colin O'Connor", written over a horizontal line.

Colin O'Connor  
Radiation Safety Officer  
Transportation Security Laboratory
