Docket No. (no hyphens):

Business Cellphone No.

NRC Representative Name/Title: **Betsy Ullrich, Senior Health Physicist**

Subject: **May 21, 2018 letter sent ATTN:GLTS**

Discussion: **I called the RSO and left a message on June 7. Amanda Oldaker returned the call today, and said that they sold excess gauges, and were told to report the transfer to us. They still have 4 gauges so do not wish to terminate the license, but were hoping for a reduction in fees. I explained that fees were based on the authorized uses, not the amount of radioactive materials. She was disappointed, but asked for a letter confirming we received the information.**

I will return the letter to LAT to be controlled as a notification action, with this telephone conversation record.

Action Required: **control action as a Notification**
