NRC Representative Name/Title: **Betsy Ullrich, Senior Health Physicist**

Subject: **May 2018 letter sent to GLTS/Document control Desk**

Discussion: **I confirmed with the RSO that all gauges were transferred and they wish to termination the license. He was not clear why he sent the letter to GLTS instead of to the region.**

I returned the letter to LAT to be controlled as a termination action. The reviewer should still get confirmation in writing that termination is appropriate.

Action Required: **control action as a termination request.**
