**Subject:** NRC Comments regarding Operator Licensing Exemption Requests

Hi Kelli –

Please see the comments below, regarding Operator Licensing Exemption Requests.

- If SNC elects to pursue an exemption on this topic, the staff thinks the proper regulation to seek the exemption from is 55.33(a)(2) rather than 55.47.
- For SNC to justify such an exemption, the staff thinks SNC will need to provide a detailed analysis to show why the initial operator licensing exams taken at VC Summer Unit 2 are comparable to the exams given to the Vogtle Unit 3, and if there are any gaps, SNC will need to propose what means they will use to address them.
- SNC may file the exemption on behalf of the candidates. Each individual candidate's name or their docket number needs to be identified in the exemption request, and it needs to be clear to whom the exemption applies.

This email will be placed in ADAMS to support our discussion at the June 28, 2018, public meeting.

Please contact me if you have any questions.

Thank you,  
Jordan
