Subject: RAI, Manager's Authorization

Discussion: I called and left a message for Mr. Boerstler. I stated that I needed a manager's approval before terminating the license. I asked if Mr. Boerstler was a manager or if he could get a manager to state they had reviewed the license termination and authorized it. He call back and left me a voice message that he is a manager and his title is Manager of Manufacturing for Hospice Services.

Action Required: Complete termination
