Dublin, OH 43017

SUBJECT: CARDINAL HEALTH 414, LLC; REVIEW OF FINANCIAL ASSURANCE
SUBMITTAL; MAIL CONTROL NO. 608791

Dear Mr. Sullivan:

We have reviewed the Certification of Financial Assurance dated January 16, 2018, and the Third Amended and Restated Standby Trust Agreement entered into as of February 2, 2018, to meet the financial assurance requirements for your license. We have no further questions at this time.

The following documents currently provide your financial assurance:

Certification of Financial Assurance dated January 16, 2018 [ML18053A250]
Decommissioning Funding Plan Cost Estimate contained in letters dated
May 11, 2015 [ML15163A085], and July 17, 2015 [ML15219A245]
Surety Bond dated May 26, 2011 [ML112380052], Surety Bond Rider dated
November 9, 2016 [ML17033B594]
Amended and Restated Standby Trust Agreement dated March 15, 2012
[ML12083A116], Agreement of Resignation, Appointment and Acceptance dated March
8, 2017 [ML17194B033] and Page 1 replacement for the Resignation, Appointment, and
Acceptance [ML17200D092]; Second Amended and Restated Standby Trust Agreement
entered into as of July 17, 2017 [ML17216A215]; and Third Amended and Restated
Standby Trust Agreement entered into as of February 2, 2018 [ML18053A250]

Your organization uses a Decommissioning Funding Plan (DFP) to determine the amount of financial assurance necessary to fund all decommissioning activities. 10 CFR 30.35(e)(2) requires that, at the time of license renewal and at intervals not to exceed three years, the DFP must be resubmitted with adjustments as necessary to account for changes in costs and the extent of contamination. Your currently approved DFP was submitted on July 17, 2015; therefore, your DFP must be re-submitted on or before July 17, 2018. The DFP must update the information submitted with the original or prior approved DFP, and must specifically consider the effect of the following events on decommissioning costs: (1) spills of radioactive material producing additional residual radioactivity in onsite subsurface material; (2) waste inventory increasing above the amount previously estimated; (3) waste disposal costs increasing above the amount previously estimated; (4) facility modifications; (5) changes in authorized possession limits; (6) actual remediation costs that exceed the previous cost estimate; (7) onsite disposal; and (8) use of a settling pond. If the amount of the financial assurance instrument will be adjusted to match the DFP, this cannot be done until the updated DFP is approved by the NRC. If the financial assurance instrument is revised (amended) to change the amount of financial

assurance obligated, then you will need to also submit a revised Certificate of Financial Assurance (CFA) with the new amount.

Your cooperation is appreciated.

Sincerely,

Dennis R. Lawyer, Health Physicist
