Rick,

Your summary is correct. The comment period associated with the draft letter to NEI posted in the *Federal Register* on June 7 (83 FR 26503) will be reopened for 20 additional days from the date of publication of the new FRN that will reopen the comment period.

If you have additional questions, please feel free to contact me.

I would appreciate feedback as soon as a decision is made about the request.
