Subject: LIXI Profiler Transfer

Mr Hauser,

As you are aware Engineering & Inspections Hawaii has Chevron Products Company's Lixi, Inc Profiler Unit (Model LS-82) on our NRC License while Chevron acquired an NRC License for this unit. For the purpose of this transfer we have listed each company's license number. Engineering & Inspections Hawaii hereby transfers the profiler and source to Chevron Products Company.

Engineering & Inspections Hawaii-License Number 53-27731-01, Docket No. 030-36017

Chevron Products Company- License Number: 53-35109-01, Docket No. 030-38689.

By signing below you agree that you have taken possession of the Lixi unit and that the unit is in good condition and operates properly and any further use of Lixi profiler will be under Chevron Products Company's license.
