Hello Ms. Green

Attached you will find an advance electronic copy of the NRC staff's follow-up letter to the Lower Brule Sioux Tribe noting that on May 29, 2018, Powertech (USA) Inc., the licensee proposing to construct and operate the Dewey-Burdock ISR facility, confirmed that they will provide reimbursement and compensation to the Lower Brule Sioux Tribe for its participation in the NRC's approach as discussed in its May 24, 2018, letter (also attached). Please let me know if you have any questions.

Regards,

Diana
