6/21/2018

SUBJECT: 10 CFR 26.719 FFD Report

Dear Sir or Madam:

Pursuant to 10 CFR § 26.719(c)(1), Vistra Operations Company LLC ("Vistra OpCo") provides the attached fitness for duty (FFD) performance testing report within 30 days of completing the investigation of an issue related to the quality of vendor-supplied blind performance test standards at Comanche Peak Nuclear Power Plant (CPNPP). The attachment to this letter provides a report of the issue and the corrective actions taken.

The attachment to this letter is marked as security related information and should be withheld from public disclosure in accordance with 10CFR2.390.

NSIR

This communication contains no new commitments regarding CPNPP Units 1 and 2.

Should you have any questions, please contact Jim Barnette at 254-897-5866 or James.barnette@luminant.com.

Sincerely,

Thomas P. McCool
