RE: E2V License No. 31-23630-02E / Docket No. 030-32837. Amendment Request.

Dear Shirley:

As of 10/28/2017, the e2v group of companies has been acquired in its entirety by Teledyne Technologies Incorporated, as ultimate parent company of the Teledyne Technologies group of companies. (See attached documents).

As part of this change in ownership, e2v technologies inc. has changed its name and will be called Teledyne e2v US Inc.

We request an amendment to our license to reflect these changes.

In addition, we have an invoice No. LFB 18-4481 due on 7/7/18 for \$16,300.00. I have sent a request for extension of payment to the Office of the Chief Financial Officer as we can no longer send a check containing our old information to match the existing information on our license. Once updated then we can pay the invoice.

If you have any questions please contact me at 914-593-6828 or my *new* e-mail address at Dominic.Piarulli@TELEDYNE.com

Best Regards,

Dominic Piarulli
Radiation Safety Officer
Teledyne e2v US, Inc.

28 March 2017

Notice of change of ownership and change of name

Dear sir or madam,

Please be advised that under a Scheme of Arrangement, with an effective date of 28 March 2017, the e2v group of companies has been acquired in its entirety by Teledyne Technologies Incorporated, as ultimate parent company of the Teledyne Technologies group of companies. Full details of the Scheme of Arrangement can be found at www.teledyne.com

As part of this change in ownership, e2v technologies inc is undertaking a change of name and will be called Teledyne e2v US inc. (Teledyne e2v).

Accordingly from 28 March 2017 all your engagements with us for contractual requirements will be managed, responded to, accepted, acknowledged, invoiced and paid, as relevant, by Teledyne e2v.

Please be assured that the changes apply only to the name and control of the company that you are contracted with and will have no effect on the company's manufacturing sites or fulfilment of contractual obligations. Other than the change of control and name, any contract you have with Teledyne e2v will continue on its existing terms in all respects.

As a result of the change of name please provide Teledyne e2v with an updated sales tax exemption certificate in the new Teledyne e2v name.

We thank you in advance for your assistance in implementing this change in your processes and systems with effect from 28 March 2017 and trust that this notification is acceptable as written.

Should you have any questions or require further clarification on the changes, please contact your local Teledyne e2v team representative.

Should you wish to specifically discuss any matter relating to the change of control, please ensure that you contact Teledyne e2v within seven (7) days of this notification, as following this timeframe any required consents will be deemed granted, in the event that consent is a contractual requirement of the change of control. In all other circumstances please treat this letter as due notice of change of control and change of name for the purposes of any current contractual arrangements.

Please circulate this notification to your Finance Department and any other affected departments as applicable. If your Finance Department require any further information regarding this change they may contact the Teledyne e2v finance representative.

Yours faithfully,

Nick Wargent
For and on behalf of Teledyne e2v
