**Subject:** ACTION: Outreach for webinar

Sandy,

I need a summary of the outreach efforts conducted for Thursday's webinar on the Wyoming Agreement. Just got off the phone with Duncan, and he indicated you cced him on every outreach e-mail. What I need is a list of the outreach conducted by phone – a table with the following columns: Date, Tribe, and Tribal contact including tribal position. If multiple calls were necessary to reach the tribal contact, the table should reflect that. Also, the table needs to indicate whether you spoke to the contact or left a message. COB Wednesday works.

Thanks
