Subject: Your Questions Regarding the Wyoming Agreement Process

Hello Mr. Windy Boy:

I am following up with the conversation you had with Ms. Sandra Talley of our office regarding the Agreement application from the State of Wyoming that the NRC is currently reviewing. You had additional questions on the Agreement application process and its impact on programmatic agreements. You also asked about DOE's extended fast track program. I would like to send up a time convenient for you so that I may call you and answer your questions and answer any other questions you may have from the materials we forwarded to you.

I am looking forward to your response.

Regards,
Duncan White
