Joan:

In March, I called the 28 Tribes on the list of Tribes potentially affected by the WY application decision to solicit their interest in participating in a webinar and topics that they wanted covered. I conveyed a summary of this feedback to Duncan (email attached). As a follow-up to these calls, I sent each THPO an invitation to participate (sample invitation attached).

Thanks,  
Sandy

Duncan/Steve/Sandra,

Tison informed me that during the NMSS meeting staff said there will be a webinar with the Tribes on the WY Agreement State application. Can you tell me when the webinar is scheduled? OGC would like to review any materials that will be sent to the Tribes before the webinar, and the webinar materials before the date of the webinar. Someone from OGC will also attend the webinar in a listen-only mode. Thank you. Joan
