SUBJECT: MOAB UMTRA PROJECT CHANGE OF MANAGEMENT

Dear Mr. Grossman:

The purpose of this letter is to inform you that the Moab Uranium Mill Tailings Remedial Action (UMTRA) Project has had a change in management. I have been designated as the project's Federal Cleanup Director (FCD) and can be reached at 970-257-2115 or at Russell.mccallister@emcbc.doe.gov.

The Department of Energy is currently soliciting for a Deputy FCD; however, until that position is filled, John Sattler is the Acting Deputy and he can be reached at 513-200-9677 or at John.Sattler@emcbc.doe.gov.

If you have any questions, please contact me at (970) 257-2115.

Sincerely,

Russell McCallister
Federal Cleanup Director
