

TN AMERICAS LLC
AFFIDAVIT REGARDING PROPRIETARY INFORMATION
PURSUANT TO 49 CFR 7.14, 49 CFR 105.30, AND 10 CFR 2.390

I, Jayant Bondre, depose and say that I am Chief Technical Officer of TN Americas LLC, duly authorized to execute this affidavit regarding proprietary information and have reviewed or caused to have reviewed the information which is identified as proprietary, and referenced in the paragraph immediately below. TN Americas LLC is submitting this affidavit regarding proprietary information in conformance with the provisions of 49 CFR 7.14 and 49 CFR 105.30 of the U. S. Department of Transportation’s (U.S. DOT) regulations, and pursuant to the provisions of 10 CFR 2.390 of the Nuclear Regulatory Commission’s (NRC) regulations. This information is exempt from public disclosure under the Freedom of Information Act, 5 U.S.C. 552, as amended, for withholding this information.

The information for which proprietary treatment is sought is contained in Enclosure 7, as listed below:

- Enclosure 7 - Calculation 21003-0604-00, Revision 0

This document has been appropriately designated as TN Americas LLC proprietary information.

Pursuant to the provisions of paragraph 7.14 of Part 7 and paragraph (a) (3) of Part 105 of the U.S. DOT regulations, and the provisions of paragraph (b) (4) of Section 2.390 of the NRC regulations the following is furnished for consideration by the U.S. DOT and by the NRC in determining whether the information sought to be withheld from public disclosure, included in the above referenced document, should be withheld.

- 1) The information sought to be withheld involves TN Americas LLC Calculation 21003-0604-00, related to the design and analysis of the TNF-XI Packaging, which is owned and has been held in confidence by TN Americas LLC.
- 2) The information is of a type customarily held in confidence by TN Americas LLC and not customarily disclosed to the public. TN Americas LLC has a rational basis for determining the types of information that is customarily held in confidence by it.
- 3) Public disclosure of the information is likely to cause substantial harm to the competitive position of TN Americas LLC because the information consists of descriptions of the design and analysis of the TNF-XI Packaging, as well as company business sensitive information, the application of which provides a competitive economic advantage. The availability of such information to competitors would enable them to modify their product to better compete with TN Americas LLC, take marketing or other actions to improve their product’s position or impair the position of TN Americas LLC products, and avoid developing similar data and analyses in support of their processes, methods, or apparatus.

Further the deponent sayeth not.

Jayant Bondre
Chief Technical Officer, TN Americas LLC
