Jane,

Thank you again for the call yesterday. After speaking with the project lead, the best course of action is to remove Southeast Engineering Corp. from the license altogether.

Please let me know if there are any other questions.

Thanks

Subject: EXT: XR135/08 - Clarification on List of US Parties

Andreas,

As discussed, please clarify if the Taiwanese party listed as one of the U.S. Parties on license XR135/08 should be changed to be one of the Intermediate foreign consignees.

Thank you.
