SUBJECT: REVIEW OF DRAFT ENVIRONMENTAL ASSESSMENT FOR THE APPROVAL OF AN UPDATED DECOMMISSIONING PLAN UNDER THE U.S. NUCLEAR REGULATORY COMMISSION LICENSE NUMBER: SNM-7003 FOR THE AMERICAN CENTRIFUGE LEAD CASCADE FACILITY IN PIKETON, OHIO (DOCKET NUMBER: 70-7003)

Dear Ms. Cinthya I. Román:

The Ohio Department of Health has received and reviewed the draft environmental assessment for the approval of an updated decommissioning plan under the U.S. Nuclear Regulatory Commission License number: SNM-7003 for The American Centrifuge Lead Cascade Facility in Piketon, Ohio (Docket Number: 70-7003) and has no further comments.

Please contact Sean Kubera at sean.kubera@odh.ohio.gov or (614) 644-5572 if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Stephen Helmer".
