Hello Mr. Vaidya –

I hope you had a nice July 4. I'm checking in again on the availability of the transcript from the June 19 meeting. I would have thought it would be on ADAMS by now, but I can't seem to find it. If it is in the queue to be loaded on the website, would it be possible to send it to me by e-mail?

Thanks,  
Margrethe

Dear Mr. Vaidya,

Per our conversation on Tuesday, I wanted to update you on our motion for relief from the automatic stay before the bankruptcy court. The court entered the attached stipulation today regarding ELPC's participation in the PRB meeting on June 19.

Are you available for a call tomorrow (Friday) afternoon to discuss? Please let us know what time works best for you.

Best,  
Andrene

Mr. Vaidya –

Thanks for your response. We are working with the Debtors in the bankruptcy case to reach a resolution on our motion for relief from the automatic stay. As of now, the stay has not been lifted and it is unclear whether the motion will be resolved at the June 8 hearing. If we are able to confirm either that the stay does not apply or is lifted for purposes of this proceeding, we will attend in person on June 19. I will provide the additional details requested below as they are available.

Thank you for your patience during this process. I will keep you updated on the proceedings in front of the bankruptcy court.

Margrethe
