Hello JJ,

You currently have Nicaragua listed on your export license. Because Nicaragua is a tier 3 country, we will have to make your license valid for only 1 year instead of 2 years. If you would like to remove Nicaragua from your export license, then we can grant you a 2 year license.

Attached is the updated license.

Please let me know if you have any questions.

Thank You,

Joanne

Thanks Stephen,

When the license is issued can you send me an electronic copy PDF.

John
