**Subject:** [External\_Sender] Extension Request from Shoshone-Bannock Tribes for Public comment on Docket ID NRC-2018-0104

Dear Mr. Paul Michalak,

The Shoshone-Bannock Tribes are reviewing and preparing comments on the proposed NRC-WY State Agreement. There is a 30-day comment period -- ending on July 26, 2018. We are requesting an extension of up to an additional 30 days, or August 26, 2018.

The reason for this is threefold. First, the comment period has overlapped with several Tribal and Federal holidays (Fort Bridger Treaty Day and 4th of July). Second, it overlaps with the time when many Tribal members have a narrow window to exercise their salmon fishing treaty rights and participate in traditional ceremonies that only occur in July. And third, our Tribal departments and Council need more time to hold meetings on the matter, to review the documentation, and to properly comment on this important matter. We appreciate your understanding and hope NRC will grant an extension to submit our comments no later than August 26. I look forward to your response.

Thank you,

**Talia T. Martin**
