Dear James,

As I mentioned to you, Tetra Tech EC, Inc. is requesting that the public meeting regarding the Petition to Revoke Materials License No. 29-31396-01 be postponed until early September. Tetra Tech EC would like to attend the meeting and participate in person. However, the individuals that will attend the meeting on our behalf have scheduling conflicts over the next six weeks. These include meetings with the Navy related to the project referenced in the petition. Therefore, we respectfully request that the Petition Review Board's public meeting be scheduled for early September. Please let me know if you would like additional information or for me to formalize this request in a written letter.

Best regards,
Preston
