NRC-2016-0119

Dear NRC Staff,

As a TVA customer, I am pleased about TVA's early site permit application for small modular reactors at the Clinch River Site.

I am pro any non carbon power source, wind, solar and nuclear.

Last, I request that the NRC approve TVA's effort to reduce the emergency planning zone from 10-miles to 2 miles.

Thank you.

Sincerely,  
David Hrivnak
