Taxes. In sales transaction instances where Sales Prices do not include applicable taxes or duties, the Buyer is solely responsible for paying all applicable taxes and duties. Under these circumstances, where the HEURESIS CORP Sales invoice excludes State, County, and/or Local Sales Tax, it should be inferred that either (1) HEURESIS CORP has not attained NEXUS status in the State where the Buyer resides, and the Buyer is solely responsible for calculating, remitting and filing the appropriate tax and duties incurred, or (2) The Buyer has declared tax exemption status, and has forwarded the applicable Exempt certificates to HEURESIS CORP, prior to the Sales invoicing transaction.

HEURESIS CORP will add sales taxes to the sales price where required by applicable law and Buyer will pay such taxes unless Buyer provides HEURESIS CORP with a duly executed sales tax exemption certificate. If Buyer is required by law to withhold any amount of tax from its Payment to HEURESIS CORP, Buyer will take all reasonable steps to minimize such withholding tax, provide HEURESIS CORP with a receipt or certificate as evidence the tax has been paid, and reimburse HEURESIS CORP for the amount of withholding so that HEURESIS CORP receives Payment for the full value of the invoice.
