Subject: Request for Additional Information for Reynolds Memorial Hospital Amendment
Date: Wednesday, July 18, 2018 9:53:00 AM

Licensee: Reynolds Memorial Hospital, Inc.
License No. 47-08019-01
Docket No. 030-03384
Mail Control No. 609024

To support removal of the requested location of use, please provide the following:

1. Provide the date of last use of licensed material at 426 8th Street. In addition, the survey indicates a survey of 1 stress room. The letter dated 3-1-15 indicates that there were 2 stress rooms. Please confirm that both stress rooms were surveyed.
2. Please confirm that all radioactive waste was disposed of by decay-in-storage.
3. Please submit the current inventory maintained at 800 Wheeling Avenue that includes the sources transferred from 426 8th Street.
4. Please submit the last inventory and leak test of sealed sources performed at 426 8th Street prior to the transfer of the sources. The NRC's inspection on 10-8-15 indicates that 5 sources were maintained at this facility.
5. Please indicate whether Dr. Dharawat should be removed from the license with the removal of this facility.

In addition, Item D of the letters referenced in License Condition 14 will be removed since the material described therein was removed from the license.

Thank you for your assistance,

Penny Lanzisera
Senior Health Physicist
U.S. NRC, Region I
