DECLARATION OF JAMES M. PORTER

I, James M. Porter, being competent to provide this Declaration, declare as follows:

1. I am counsel of record for Southern Alliance for Clean Energy ("SACE"), Tropical Audubon Society, and Friends of the Everglades in a case pending before the U.S. District Court for the Southern District of Florida, *Southern Alliance for Clean Energy, et al. v. Florida Power & Light Company*, Case No. 16-CV-23017-Gayles/Otazo-Reyes ("*Southern Alliance for Clean Energy*").
2. In support of its hearing request in this proceeding, SACE relies on a set of expert reports that SACE has produced in discovery in *Southern Alliance for Clean Energy*. These reports were prepared by SACE's expert witnesses in that case, Dr. William Nuttle, Dr. James Fourqurean, Kirk Martin, Edward Swakon, Dr. Larry Brand, Bill Powers, and E.J. Wexler.
3. Some of the information in these expert reports or their attachments is marked confidential, privileged, or copyrighted. Notwithstanding these markings, neither SACE nor the authors of the expert reports seek to withhold those reports and materials from public disclosure under 10 CFR § 2.390 or otherwise. The authors of the reports have confirmed SACE may publicly use all of the information in their reports and attachments in this proceeding, and that they have all necessary permissions from third parties.
4. Accordingly, SACE has authorized me to represent to the NRC that it has the permission of the owners of the information in the expert reports to make that information freely available in this proceeding and for posting on the NRC's Agencywide Documents Access and Management System ("ADAMS").

I declare under penalty of perjury under the laws of the United States that the foregoing is true to the best of my knowledge.
