Subject: [External_Sender] Tribal webinar
Date: Friday, April 20, 2018 5:15:22 PM

Duncan

Here is the language to be added to the slides.

The Wyoming Department of Environmental Quality works with interested parties, including affected Tribes, through its public participation process. When Wyoming becomes an Agreement State interactions with "Tribes" and interested parties will remain unaffected as the Department will continue to follow processes outlined by Wyoming Statute, rules, and regulation.

Also we will be able to answer questions at the webinar

Ryan Schierman
Uranium Recovery Program Manager
Department of Environmental Quality
Land Quality Division
