and Safeguards
Nuclear Regulatory Commission
Washington, DC 20555-0001

Dear Ms. Kock:

Thank you for notifying the Center for Devices and Radiological Health (CDRH) of the proposed Agreement between the Nuclear Regulatory Commission and the State of Wyoming regarding the transfer of regulatory authority to the State over the management and disposal of byproduct materials and a subcategory of source material associated with uranium or thorium milling. CDRH does not have any comments on the proposal.

Sincerely,

Jeffrey Shuren, M.D., J.D.
