Re: Name Change – License #47-25025-02

To Whom It May Concern:

Mingo Logan Coal Company requests that the U.S. Nuclear Regulatory Commission change the name of the licensee on license no. 47-25025-02 from Mingo Logan Coal Company to Mingo Logan Coal, LLC. The Federal Tax I.D. will remain the same, as will the chain of custody and all operations.

If you have any questions, please contact Robert Graffius at 304-369-7601 or rgraffius@archcoal.com

Best Regards,

Joseph M. Vance
Environmental Engineer

This is to acknowledge receipt of your: Letter and/or Application Dated: 07/26/2018

The initial processing, which included an administrative review, has been performed.
 Amendment Termination New License Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>
 Follow the instructions on the form for submission.

The following administrative omissions have been identified:

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
