Revised 2017-2018 Surety Estimate, Ruth ISR Project, Cameco Resources, NRC License SUA-1548

Dear Director:

Pursuant to License SUA-1548 Condition 9.5, Power Resources Inc. d/b/a/ Cameco Resources (Cameco) is herein providing the Revised 2017-2018 Surety Estimate for the Nuclear Regulatory Commission (NRC) review. Wyoming Department of Environmental Quality (WDEQ) – Land Quality Division (LQD) provided Cameco comments on the 2016-2017 Ruth ISR Project Annual Report and 2017-2018 Ruth ISR Project Surety Estimate in a letter dated February 22, 2018. Based on LQD’s comments the reclamation bond estimate was revised using WDEQ-LQD Guideline 12 (2/2017) and 12A (4/2017) for applicable line items. The attached CD will supersede the CD provided under the cover letter dated December 20, 2017.

Please call me at (307) 358-6541 ext. 438 or email at Lawrence_Reimann@cameco.com if you have questions concerning the revisions.

Respectfully,

Larry Reimann
Manager, Compliance & Licensing
