Good morning Erin,

In response to "Additional Information Needed for New NRC License" on docket: 030-39120, License Number: 34-35499-01; Additional Information Request 1. To provide information regarding intent on using portable gauges at temporary job sites.

We will be intending on using a Troxler: 3216 RoofReader – Portable Moisture Density Gauge on various temporary job sites under the U.S. Nuclear Regulatory Commission jurisdiction.

If there's any more information I can provide on the matter please do not hesitate to call me directly.

Thank you for time.
