Hayes C. Robinson, III, MS, Associate Director  
for Environmental Management Division  
Smithsonian Institution  
Office of Safety, Health and Environmental Management  
Suite 7106, MC 514  
600 Maryland Avenue, SW  
PO Box 37012  
Washington, DC 20013-7012

SUBJECT: SMITHSONIAN INSTITUTION, ACCEPTANCE OF NOTIFICATION OF  
INVENTORY COMPLETION, MAIL CONTROL NO. 609088

Dear Mr. Robinson:

This is in reference to the letter dated June 5, 2018, notifying the NRC that you have completed the first 3-year inventory. Thank you for informing us of this. We appreciate the time and effort required to complete this initial inventory of your collections. Progress on future inventory updates will be reviewed during inspection and need not be submitted for review. No further correspondence on this matter is required.

Your cooperation is appreciated.

Sincerely,

A handwritten signature in cursive script that reads "Betsy Ullrich".

Betsy Ullrich, Senior Health Physicist  
Commercial, Industrial, R&D  
and Academic Branch
