APPLICATION FOR EXTENSION OF TIME

By Order of July 28, 1978, this Commission directed that the Parties to this proceeding respond to stated questions no later than August 25, 1978. Florida Cities have prepared a response to those questions in draft but, because of the vacation season have been unable to obtain clearance from all necessary persons for filing. The undersigned has contacted counsel for Florida Power & Light Company to determine whether a limited extension for all parties might be agreed upon. Florida Power & Light had, as of that time already filed its response. Consequently, Florida Cities move for a one-business day extension of time, to and including, Monday, August 28, 1978, for filing their response to the Commission's July 28, 1978 Order.

Respectfully submitted,

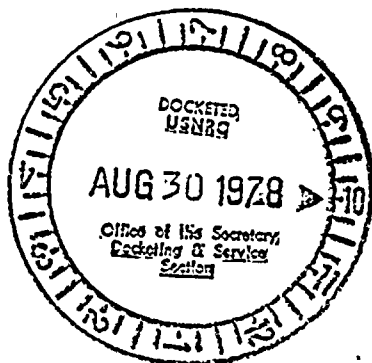

Robert C. McDiarmid
Attorney for the Ft. Pierce Utilities
Authority of the City of Ft. Pierce,
