Director, Office of the Controller
U. S. Nuclear Regulatory Commission
ATTN: Division of Accounting
Washington, D. C. 20555

Gentlemen:

On November 11, 1974, the former AEC (NRC) issued a proposed rule change to amend Part 170 of its regulation pertaining to fee schedules. The document stated that the annual license fees have been eliminated and that a refund would be made for properly submitted claims. In accordance with this policy, FPL herewith requests a refund of license fees paid for Turkey Point Units 3 & 4 under license Nos. DPR-31 and DPR-41.

The sum of \$24,552 was paid for Turkey Point Units 3 and 4 under Invoice No. 63-74 dated July 9, 1973. An additional sum of \$143,000 was paid for Turkey Point No. 4 under Invoice 659-74 dated March 25, 1974.

The above monies should be refunded to the Florida Power & Light Company.

Yours very truly,

Robert E. Uhrig
Vice President
