Subject: [External_Sender] UIN 616

Jim,

I have attached two documents for your review regarding UIN 616. The first document is the issue tracking sheet. The first half of the issue tracking sheet are the initial comments you provided and the corresponding SNC responses discussed on the 7/12 public call. The 2nd half of the tracking sheets are the comments you verbally provided during the 7/19 public call as we understood them. Our responses are also included.

The second document is the latest version of UIN 616.

If you have any additional comments or questions, I would request that we set up a phone call to discuss.

Thanks

Thomas G. Petrak
