

MEMORANDUM TO: Docket No. 030-02278
Curators of the University of Missouri - Columbia

THRU: Geoffrey Warren, Chief
Materials Inspection Branch
Division of Nuclear Materials Safety

FROM: Robert G. Gattone, Jr., Senior Health Physicist *Robert G. Gattone, Jr.*
Materials Inspection Branch
Division of Nuclear Materials Safety

SUBJECT: Notice to Docket No. 030-02278

On August 31, 2018, the Curators of the University of Missouri – Columbia’s (licensee) radiation safety officer emailed the attached message to Robert Gattone requesting a 30-day extension from the due date of September 5, 2018, in order to search for historical records of contamination surveys in the Physics Building. The Acting Materials Inspection Branch Chief approved the licensee’s request for the 30-day extension. As such, the new due date is September 30, 2018.

Subject: [External_Sender] University of Missouri's responses to Physics Building RFAs

Hi Bob-

The University of Missouri would like to request a 30-day extension to our due date of September 5, 2018 in order to continue our search of historical records for contamination surveys to help answer question #3 of the RFAs for Physics Building. I have attached the conversation record here for quick reference. Please feel free to contact me if you have any additional questions.

Thank you for your consideration,
Felicity
