FREEDOM OF INFORMATION ACT REQUEST

To whom it may concern:

This is a request for records from the Nuclear Regulatory Commission.

On March 13, 2017, President Trump signed Executive Order 13781: "Comprehensive Plan for Reorganizing the Executive Branch." The Office of Management and Budget set up a website for the public to send ideas for "making the federal government more efficient, effective and accountable to the American people." The website later announced that people had sent in 100,000+ comments.

In an April 12, 2017 memo (M-17-22), OMB said that it would "share the public feedback with agencies as appropriate for their consideration."

I hereby request all public comments/feedback from this channel that OMB shared with NRC, as well as any accompanying material about those comments.

Here's the OMB memo (see p 3):

This is an individual noncommercial request. I agree to pay up to \$25 for applicable fees, if necessary.

Sincerely,

Michael Ravnitzky
