Subject: Voidance of Amendment request

Discussion: The licensee requested to add Dr. Richard Gessman to the above mentioned license as an authorized user (AU) for materials authorized by 10 CFR 35.100, 10 CFR 35.200, and 10 CFR 35.300. A request for additional information was sent on July 17, 2018. I contacted Dr. Kohanski to get the status on the licensee's response to the additional information requested. In a message left on 8/29, I informed Dr. Kohanski that I would need to receive the information by September 4, 2018 in order to complete the amendment in a timely manner. I also stated that if the licensee was unable to provide additional information, we could void the request without prejudice and the licensee may resubmit at a later date. Dr. Kohanski returned my call and left a message which stated that the licensee would not be able to provide the additional information any time soon and would like to withdraw the amendment request at this time. I returned the call and spoke to Dr. Kohanski directly to confirm that the licensee will not be able to provide the information and the we will void the request. He confirmed.
