B. Submitting Comments.

Please include Docket ID **NRC-2018-0229** in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. The NRC will post all comment submissions at <http://www.regulations.gov> as well as enter the comment submissions into ADAMS, and the NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background.

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* 10 CFR part 110, "Export and Import of Nuclear Equipment and Material."
2. *OMB approval number:* 3150-0036.

4. *The form number, if applicable:* NRC Form 830, NRC Form 830A, NRC Form 831, and NRC Form 831A.
5. *How often the collection is required or requested:* On occasion.
6. *Who will be required or asked to respond:* Any person in the U.S. who wishes to export or import (a) nuclear material and equipment subject to the requirements of a specific license; (b) amend a license; (c) renew a license; (d) obtain consent to export Category 1 quantities of materials listed in Appendix P to 10 CFR Part 110; or (5) request an exemption from a licensing requirement under Part 110.
7. *The estimated number of annual responses:* 6,189.
8. *The estimated number of annual respondents:* 107.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 1,812.

10. *Abstract:* Persons in the U.S. who export or import nuclear material or equipment under a general or specific authorization must comply with certain reporting and recordkeeping requirements under 10 CFR part 110.

III. Specific Requests for Comments.

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, this 3rd day of January 2019.

For the Nuclear Regulatory Commission.
