Leak Test Certificate

A leak test has been performed on meter, serial number **A640**, a model C-200, containing the radionuclide Ra 226

Owned By: F. Robert Bell & Assoc.
801 W. Fireweed Lane
Anchorage, AK 99503

Date Sample Collected: 5/22/18
Collected By: Gary Kowalczyk
Date Sample Analyzed: 6/5/18
Analyzed By: Ken Krysiak

Most regulatory agencies consider a source to be leaking if a leak test reveals the presence of more than 0.005 microcurie of removable contamination.

Analysis found contamination of less than 0.005 microcurie.

Analysis authorized by Wisconsin license 079-1257-01.

Carol et. al.,

Please set this up for the licensee to terminate their license. If these documents can be uploaded to ADAMS ASAP - I have a letter I need to issue to the licensee (ideally before I leave for inspections next week).

Thank you,

--

Jason VonEhr,

My apology as I was walking out to a meeting when I received you email. Like I said I sent them to Frank Bell. I am not sure where the break down took place, but I have attached the documents to this email. The originals should be mailed to you from Frank Bell.

Again my apology for the tardiness.

Subject: NRC - friendly reminder

Gary,

From our phone call Monday, I had the impression that I would have the documents in hand within the day. Is there a delay that was not anticipated, or were the documents completed and sent hard-copy?

C. Hill

This is to acknowledge receipt of your: ☐ Letter and/or ☒ Application Dated: 09/10/2018

The initial processing, which included an administrative review, has been performed.

☐ Amendment ☒ Termination ☐ New License ☐ Renewal

☐ There were no administrative omissions identified during our initial review.

☐ This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

☐ Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>
Follow the instructions on the form for submission.

☐ The following administrative omissions have been identified:

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
