**RE: St. Anthony's Medical Center
License No.: 24-01041-04**

To Whom It May Concern:

The purpose of this letter is to inform the **U.S. Nuclear Regulatory Commission** of the pending name change for St. Anthony's Medical Center ("*St. Anthony's*") located at 10010 Kennerly Road, St. Louis, Missouri 63128.

As you may recall, Mercy Health East Communities ("Mercy"), a Missouri Nonprofit Corporation, previously had an Affiliation Agreement with St. Anthony's wherein Mercy was the sole corporate member of St. Anthony's. The effective date of that affiliation was June 1, 2017.

In order to more fully align St. Anthony's with Mercy's nomenclature, effective September 30, 2018, St. Anthony's Medical Center's name will be changed to "Mercy Hospital South". There will be no other changes to the organization's structure, control, or ownership at this time outside of the name change.

If you would like a copy of the name change filing with the State, please let me know and I will be happy to send one to you.

Please feel free to contact me know if you have any questions or need anything further.

Thank you!

Sincerely,

Michele Giunta
