Subject: Release Request

Discussion: Ms. Ramsey had requested all but rooms 203 and 207 from Building E3300 be released. I discussed with her that they had placed rooms 203, 207, 206, and 212 all in one survey unit. If I were to release 206 and 212 then it could not be a part of the survey unit for 203 and 207 and thus may require different survey for the rooms. She said to just release the other rooms requested in her email dated September 10, 2018.

Action Required: Release the other rooms and wait for additional request for the other rooms.
